God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me

He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

Oh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me

He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

By a roadway in the wilderness, He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade but His Word will still
remain
And He will do something new today

Oh, God will make a way

Where there seems to be no way
He works in ways we cannot see
He will make a way for me

He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

By a roadway in the wilderness, He'll lead me
And rivers in the desert will I see
Heaven and Earth will fade but His Word will still
remain
And He will do something new today

Oh, God will make a way
Where there seems to be no way
He works in ways we cannot see
He will make a way for me

He will be my guide
Hold me closely to His side
With love and strength for each new day
He will make a way, He will make a way

With love and strength for each new day
He will make a way, He will make a way
