In the darkest night / When I couldn't see / I was sinkin'
fast / When You
rescued me / I felt a hand / And there You were
Nowhere else to turn / I was all alone / Kinda' lost my
way / All my dreams
were gone / Then I heard a voice / And there You were
I needed a touch from the Savior's hand / And that's
just how the miracle
began / I know I'll never be the same again / All I can
say is
Thank You Jesus / Thank You Jesus / Thank You Jesus /
Thank You Lord
When I think about / All You've done for me / Took away
my fear / Filled my
heart with peace / I'm grateful Lord / There You were
From this moment on / 'til my final breath / Lord I'll
worship You / And
remember this / Through every storm / There You were
I needed a touch from the Savior's hand / And that's
just how the miracle
began / I know I'll never be the same again / All I can
say is
Thank You Jesus / Thank You Jesus / Thank You Jesus /
Thank You Lord
I believe that Jesus knows all about our struggles / He
will guide 'til the
day is done / Jesus knows all about our struggles / He
will guide 'til the
day is done
There's not a friend like the lowly Jesus / No not one /
No not one
Thank You Jesus / Thank You Lord
Thank You Jesus / Thank You Jesus / Thank You Jesus /
Thank You Lord
Thank You Jesus / Thank You Lord
