"Uncharted Territory"

I find myself in uncharted territory / Never felt so lost /
Never felt so
lonely / Where are You Lord

I'm so afraid / I can feel the fear inside me / Can't
control the chaos all
around me / Where are You Lord

How can I sing the Lord's song in a foreign land

(But) How can I forget / All You've done for me /
Everything You've done
Lord / Just to set me free / Teach me how to pray /
Teach me how to praise
/ Even in the darkness / Teach me how to sing Your
song

How can I sing / When my heart is broken / When every
prayer is just a
token / Where are You Lord

Sometimes our pain can tell a tragic story / Still I will
praise You / And
give You glory / Where are You Lord

Help me to sing the Lord's song in this foreign land

(But) How can I forget / All You've done for me /
Everything You've done
Lord / Just to set me free / Teach me how to pray /
Teach me how to praise
/ Even in the darkness / Teach me how to sing Your
song / Your song / Gonna
sing Your song

(But) How can I forget / All You've done for me / You
have been so faithful
/ Meeting every need / Teach me how to pray / Teach
me how to praise / Even
in the darkness / Teach me how to sing Your song /
Your song / Gonna sing

Your song
