Talking

Lord, we are here for one purpose tonight  
To bless Your name, to give glory  
Honor and praises  
To give You everything we are, Hallelujah

We're here to bless Your name  
Gathered as Your family  
To praise You and proclaim  
Your faithfulness and mercy

We give You glory, we give You honor  
We give you everything we are  
Lifting our hearts and hands before You

We give You glory, we give You honor  
We give you everything we are  
Lifting our hearts and hands before You

Oh yes, we do  
We're here to seek Your face  
Together in Your presence  
To celebrate Your grace  
To praise You for Your mercies

We give You glory, we give You honor  
We give you everything we are  
Lifting our hearts and hands before You

We give You glory, we give You honor  
We give you everything we are  
Lifting our hearts and hands before You

Yes, we do  
(Come one)  
There is no other reason why we came  
Than to glorify Your name

For You are worthy to be praise  
Now we offer up our lives  
As a willing sacrifice  
Holy, acceptable to You

We give You glory, we give You honor  
We give you everything we are  
Lifting our hearts and hands before You

We give You glory, we give You honor  
We give you everything we are  
Lifting our hearts and hands before You
