Don
J.Lo
Eliel !!
El que habla con las manos
El que todo lo pega (don)

Quiero que sepas que (now you've been holding me
down)
Que en mi puedes confiar

J.Lo

Now you've been holding me down (mm)
For such a long time now
From back then to now in my story
Straight from the hood
You've always been there for me

And you had my back when they
Back when everybody said I wasn't anything
It was you who had me holding on
No matter what was goin' on
So whatever you need I got you yea

Don omar

Yo que te vi nacer, crecer y hacerte mujer
Tu que me viste soñar y este camino emprender
Te tengo que confesar
que soy feliz sin medida
Aunque algunos días siento la sonrisa vacía
No me quejo,
tu sabes que esto era lo que quería
Y te doy gracias por comprenderme en mis peores días
as
Forever I'll love you mami
Que Dios te bendiga
Y le doy gracias a la vida
Porque en ti tengo una amiga

J.Lo

Now my loyalty will always be
With you if you just promise me
That you'll stay real, just like you are
'Cause baby you don't have to change noooo

(coro)

You don't know how much you mean to me
Whenever you're down, you know that you can lean
on me
No matter the situation
Boy, I'm gon' hold you down

Quiero que sepas que
Aquí siempre yo estaré
Que en mi puedes confiar
Tener un hombro en cual puedas llorar

(Don Omar)

Orguloso, de esto tan maravilloso
Y haz transformado un celoso en artista famoso
Y aunque de lujos y placeres gozo
Solo quiero no perderte pues seré doloroso

(J.Lo)

so remember this whenever i call
we go back too far
we've been through it all
even though we haven't spoke in so long
ain't nothing has change
not a damn thing baby

(coro)

Now my loyalty will always be
With you if you just promise me
That you'll stay real, just like you are
'Cause baby you don't have to change noooo

You don't know how much you mean to me
Whenever you're down, you know that you can lean
on me
No matter the situation
Boy, I'm gon' hold you down

Quiero que sepas que
Aquí siempre yo estaré
Que en mi puedes confiar

Tener un hombro en cual puedas llorar

(Don Omar)

Estaré aquí siempre sin que importe la gente
Tu ten presente lo que mi corazón siente
Y nunca dudes que estaré para apoyarte
Y no habrá nada en la vida que logre de mi arrancarte

(J.Lo)

So i don't care about the situation
I'm a ride for you if there's a complication
Every time you had my back and all
When we were young
And now you're Joey Crack and all

J.Lo

Now my loyalty will always be
With you if you just promise me
That you'll stay real, just like you are
'Cause baby you don't have to change because

(coro)

You don't know how much you mean to me
Whenever you're down, you know that you can lean
on me (x5)
No matter the situation
Boy, I'm gonna hold you down

Down down ¡I'm gonna hold you down!
