It's like sugar,sh-sh-sugar  
It's like sugar,sh-sh-sugar  
What can I do,tell me what can I say  
I'm in love and I know that I can't walk away,oh no  
And I can't let you go  
There's a feelin' I got for you deep down inside  
And I'm hungryfor you every day,every night,oh yeah  
And I want you to know  
Girl your love is sweeter than I've ever had before  
Each and every flavor always leaves me wanting more

CHORUS:It's like sugar,it's like honey  
It's like even better than money  
It's like chocolate,it's like cherry  
It's like bittersweet,but not very  
I can't fake it,when I taste it  
I can't get enough,I can't waste it  
Girl let me take another piece of your love  
I wake up at night in a cold,cold sweat  
And I'm carvin' it girl 'cause I just wanna get with you  
Are you feelin' it too  
Sweeter than candy and hotter than fire  
Nothing on earth can control my desire for you  
And you know that it's true

I can't deny I'm into you,you got me open wide  
So won't you keep it commin' girl until I'm satisfied

CHORUS-repeat

All I wanna do is take another piece of you  
I won't stop until I'm satisfied  
I never get enough 'cause I'm hungry for your love  
I wanna do it 'til we get it right  
I look into your eyes and I'm slowly hypnotized  
'Cause your candy love is good to go  
Girl I'm down with you and I know you're down with me  
And that's all I ever need to know  
Girl your love is sweeter than I ever had before

Each and every flavor always leaves me wanting more

CHORUS-repeat

All I wanna do is take another piece of you  
I won't stop until I'm satisfied  
I never get enough 'cause I'm hungry for your love  
I wanna do it 'til we get it right  
I look into your eyes and I'm slowly hypnotized  
'Cause your candy love is good to go  
Girl I'm down with you and I know you're down with me  
And that's all I ever need to know

CHORUS-repeat
