(Irish lyrics)

Mo chreach gharchiseach  
N rabhas ar do chlaibh  
Nuair Imhadh an pdar,  
Go ngeobhainn im chom dheas  
N i mbinn mo ghna,  
Is go ligfinn cead siil leat  
A mharcaigh na sl nglas  
S t b'fherr ligean chucu

(English translation)

My biting bitter loss  
I was not at your back  
When the powder was fired  
So my fine waist could save you  
Or the hem of my dress  
'til I let you go free  
My slate-eyed writer  
Well-able for them all.
