Where the deep, blue pearly waters
Wash upon white silver sands
There on the brink of love I kissed her
And obeyed our heart's command

Where the deep, blue pearly waters
Wash upon white silver sands
We watched the sun set in the evening
In a far and distant land

So beneath God's blue heaven
There's a place that I must go
See the sun set in the evening
With the only girl I know

REPEAT FIRST VERSE

We watched the sun set in the evening
See the moon yellow and pale
Watch the gauchos ride the pintos
All across the pampas trail

REPEAT FIRST VERSE
