Why do I do all the thinking?
Why do you do all the work?
Is it 'cause I think I'm dyin' when I'm workin' as a clerk?
I'm swimming into deep water
Would you help me one more time?
I'm tryin' all my best to keep live goin'
I'm swimming into deep water
Would you help me one more time?
I'm drowning but I'd like to stay around, 'round for a
while

Though I'm always busy hidin'
Though I'm always on the run
It's not you what I am fightin'
It's the cloud, while you're the sun
I'm swimming into deep water
Would you help me one more time?
I'm tryin' all my best to keep live goin'
I'm swimming into deep water
Would you help me one more time?
I'm drowning but I'd like to stay around, 'round for a
while

I'm swimming into deep water
Would you help me one more time?
I'm tryin' all my best to keep live goin'
I'm swimming into deep water
Would you help me one more time?
I'm drowning but I'd like to stay around, 'round for a
while

When I was a little schoolboy, a live I'm living far away,
they said, "Life is just a fake boy"
But I want it anyway
Now the days are getting longer and my life is going
on
Hear my heartbeat getting stronger
No, with you I can't go wrong
I'm swimming into deep water
Would you help me one more time?
I'm tryin' all my best to keep live goin'
I'm swimming into deep water

Would you help me one more time?
I'm drowing but I'd like to stay around, 'round for a
while, for a while, for a while
