"An Occasional Man"

I've got an island in the Pacific
And every thing about it is terrific
I've got the sun to tan me, palms to fan me, and
An occasional man

I love my island, it's very lazy
If I should ever leave it I'd be crazy
I've got papayas, peaches, sandy beaches, and
An occasional man

When I go swimming
I am always dressed in style
'Cause I go swimming
Wearing just a great big smile

My little island is made for pleasure
And in the cool of evening it's a treasure
And when the day grows later, what is greater than
An occasional man

If you're on shore leave
And your face is kinda cute,
Perhaps by your leave
I could be your passion fruit
