Bamboozled
By your mesmerizing voodoo
Feel so happily unusual
Like I'm swimming in champagne

Bamboozled
By the mai tai and the moonglow
Like a night in Pago Pago
Everything familiar, yet strange

You haunt me
Like the fragrance of the sweet frangipani bloom
Our bodies
Sway and play and we go spinning 'round the room
In a jungle blossom swoon

Dizzy
Like the swizzle spinning 'round my Singapore Sling
Mystery
In your eyes, and I go flipping for a fling
On a rainbow-colored swing

In my noodle I'm bamboozled
Still I know one thing is crucial
We could reminisce in paradise
This is how it all began
So catch me if you,
Catch me if you can
