Close your eyes

Rest your head on my shoulders and sleep

Close your eyes

And I will close mine

Close your eyes

Let's pretend we are both counting sheep

Close your eyes

Oh, this is divine

Music plays

Something dreamy for dancing while we go romancing

It's love's holiday

And love will be our guide

Close your eyes

When you open them, dear, I'll be near

By your side

So won't you close your eyes
