You can tell the world you never was my girl  
You can burn my clothes when I'm gone  
Or you can tell your friends just what a fool I've been  
And laugh and joke about me on the phone  
Or you can tell my arms, go back to the farm  
You can tell my feet to hit the floor  
Or you can tell my lips to tell my fingertips  
They won't be reaching out for you no more

Don't tell my heart  
My achy breaky heart  
I just don't think he'd understand  
And if you tell my heart  
My achy breaky heart  
He might blow up and kill this man  
Ooh

You can tell your ma I moved to Arkansas  
You can tell your dog to bite my leg  
Or tell your brother Cliff whose fist can tell my lip  
He never really liked me anyway  
Or tell your Aunt Louise  
Tell anything you please  
Myself already knows I'm not okay  
Or you can tell my eyes to watch out for my mind  
It might be walking out on me today

Don't tell my heart  
My achy breaky heart  
I just don't think he'd understand  
And if you tell my heart  
My achy breaky heart  
He might blow up and kill this man  
Ooh
