Could you just tell me how you're feeling lately that's all
I want to know
We've been actin' so deceiving you're holding on and
lettin' go
Cryin' eyes don't give a reason lips don't always say
what's so
When you touch me I'm believin' you really don't want
me to go
[ac.guitar - fiddle]
They say in life there comes a season we don't know
the answer why
Without any rhyme or reason folks drift apart and say
goodbye
Cryin' eyes don't give a reason...
Cryin' eyes don't give a reason...
