Danielle, Danielle, Danielle  
So far away  
Goodnight, sweet dreams  
The world is well  
Danielle, Danielle, Danielle

Lookin' through your photograph  
Talkin' on the telephone  
I'm thinking through my plans  
For me and you, so all alone

Danielle, Danielle, Danielle  
So far away  
Goodnight, sweet dreams  
The world is well  
Danielle, Danielle, Danielle

One day we're gonna wake up laughing  
Put on your dancing shoes  
You won't believe the tales I tell  
That time, Danielle, is not mine to choose

Danielle, Danielle, Danielle  
So far away  
Goodnight, sweet dreams  
The world is well  
Danielle, Danielle, Danielle
