How Did You Do It  
Don Williams  
Dave Hanner/Bob Corbin  
Album: I Turn The Page

You don't seem to be doing all that bad  
In fact you look good  
You don't seem to be feeling all that sad  
Like I thought maybe you would

CHORUS:  
How, how did you do it  
How did you let it go  
How, how did you do it  
I need to know

Now you've got friends to help you when you're sad  
There's even someone you've been seeing  
Now I know there's nothing wrong with that  
In fact it's a good thing

CHORUS:  
How, how did you do it  
How did you let it go  
How, how did you do it  
I need to know

One last question before you go  
If you're really over you and me  
How did you get there, I need to know  
Cause that's where I'd like to be

CHORUS:  
How, how did you do it  
How did you let it go  
How, how did you do it  
I need to know

CHORUS:  
How, how did you do it  
How did you let it go

How, how did you do it  
I need to know
