Waitin' in the front yard sittin' on a log single shot rifle
and a one eyed dog
Yonder comes a kin folks in the moonlight a Louisiana
Saturday night
Hey git down the fiddle and you git down the bow
Kick off your shoes and throw 'em in the floor
Dance in the kitchen till the morning light a Louisiana
Saturday night
[guitar]
My brother Bill and my other brother Jack belly full of
beer and a possum in a sack
Fifteen kids in front porch light a Louisiana Saturday
night
Hey git down the fiddle...
[guitar]
When the kin folks leave and the kids get fed
Me and my woman gonna sneak off to bed
Have a little fun when we turn out the light a Louisiana
Saturday night
Hey git down the fiddle...
