Wish I had a magic carpet together we could fly  
We could sail away together & watch the world go by  
If I had Alladin's lantern I'd know just what to do  
'??Cause all I'd need to do is touch it to make my  
dreams come true

But I don't have a magic carpet & magic lamps are  
hard to find  
And I can't conjure up a secret potion to steal your  
heart & make you mine

All I've got's a 4 leafed clover that's my only good luck  
charm  
But I get a magic feeling all over thinking about you in  
my arms

No I don't have a magic carpet, magic lamps are hard  
to find  
I can't conjure up a secret potion to steal your heart  
and make you mine

All I've got's a 4 leafed clover it's my only good luck  
charm  
But I get a magic feeling all over thinking about you in  
my arms
