She would never say where she came from
Yesterday dont matter if its gone
While the sun is bright
Or in the darkest night
No one knows
She comes and goes.
Goodbye, ruby tuesday
Who could hang a name on you?
When you change with every new day
Still Im gonna miss you.
Dont question why she needs to be so free
Shell tell you its the only way to be
She just cant be chained
To a life where nothings gained
Or nothings lost
At such a cost.
Goodbye, ruby tuesday
Who could hang a name on you?
When you change with every new day
Still Im gonna miss you.
Theres no time to lose, I heard her say
Catch your dreams before they slip away
Dying all the time
Lose your dreams
And you will lose your mind.
Aint life unkind?
Goodbye, ruby tuesday
Who could hang a name on you?
When you change with every new day
Still Im gonna miss you.
Goodbye, ruby tuesday
Who could hang a name on you?
When you change with every new day
Still Im gonna miss you.
Goodbye, ruby tuesday
Goodbye, ruby tuesday...
