I think I'm in a world of trouble, talk about a worried man. I've seen enough women falling out of love to know I've got one on my hands. There must be something going on that I don't know about. I got a feeling for the weekends over she'll be moving out.

Oh but so far, so she hasn't packed a thing at all, she hasn't made a call, she must be thinking it over. So far so good. She hasn't done what I thought she would. So far so good.

Oh the nights are the hardest to handle. So many things in my head. How much longer can I go on just taking a memory to bed. I'm so afraid there's somebody else, Lord I hope I'm wrong, but I can't help feeling that one of these mornings I'll be waking up alone.

Oh but so far, so she hasn't packed a thing at all, she hasn't made a call, she must be thinking it over. So far so good. She hasn't done what I thought she would. So far so good.

So far, so far so good.
