(Bob McDill)

Iâve been lonesome,
Iâve been empty
I got an achinâ,
Way down inside
I need someone,
Someone to hold me
Pull down the shade,
Turn out the light
And love me tonight.

Donât think about tomorrow
It donât matter any more
We can turn the key
And lock the world outside the door.

I need you so now
Come on let's go now
Kick off your shoes,
Turn out the light
And love me tonight.

--- Instrumental ---

Now donât you worry
Weâre all alone now
Let your hair down
Sit by my side
Turn off the T.V.
Put on some music
Pull down the shade
Turn out the light
And love me tonight

Donât think about tomorrow
It donât matter any more
We can turn the key
And lock the world outside the door.

I need you so now

Come on let go now
Kick off your shoes
Turn out the light
And love me tonight...
