I got high hopes that tomorrow
Is gonna be better than today
It don't look like it's comin' I know,
Why not believe it anyway

Call it a prayer, call it a dream,
Call it a leap of faith, you can call it anything
I got high hopes that tomorrow
Is gonna be better than today

I got two hands that ain't afraid to work hard
And I jump out of bed every day
Yeah, I know these times now are real hard,
But lookin' on the bright side always pays.

Call it a prayer, call it a dream,
Call it a leap of faith, you can call it anything
I got high hopes that tomorrow
Is gonna be better than today

I know it's dry, but that's gonna change,
Lord I ain't felt a drop but I can smell the rain,
Call it a prayer, call it a dream,
Call it a leap of faith, you can call it anything
I got high hopes that tomorrow
Is gonna be better than today

It don't look like it's comin' I know,
Why not believe it anyway
Oh why not believe it anyway
