"Easy Touch"

I'm an easy touch, she knows it, everybody does
I just can't say no, she calls, I go
And I would bring her the world on a silver platter
Oh but things like that don't matter

All she wants is all my love
And for that I'm an easy touch

I'm an easy touch, I love her
She don't know how much
I just can't resist, she wants, she gets
And I would gladly pay any price to be with her

Oh there's nothing I wouldn't give her
All she wants is all my love
And for that I'm an easy touch

I just love to hear her say
"Honey, there's something I need today"
It's so sure a sign that love is on the way

And I would gladly pay any price
