You can't live without loving  
You can't love  
Without giving of yourself  
You can't know  
What you're missing  
Till you give your heart away  
To somebody else.

Give it to me, give it to me, give it to me.

Love is alive deep inside you  
But you're afraid to set it free  
Give me a chance  
Let me guide you  
Let me show you how  
We're so close now.

You can't live without loving  
You can't love  
Without giving of yourself  
You can't know  
What you're missing  
Till you give your  
Heart away  
To somebody else.

Give it to me, give it to me, give it to me.

(Instrumental)

Think of the time that you've wasted  
While the world has passed you by  
Think of the life you never tasted  
Spread your wings and fly  
Give love a try.

You can't live without loving  
You can't love  
Without giving of yourself  
You can't know  
What you're missing  
Till you give your heart away

To somebody else.

Give it to me, give it to me, give it to me.  
Give it to me, give it to me, give it to me...

(Instrumental to fade)
