Her Perfect Memory
Don Williams
Doug Johnson/Pat Bunch
Album: I Turn the Page

I remember how we struggled when we first started out
She recalls we had it all not what we did without
I think back on those hard times she remembers only
love
Who am I to say thatÃ¢â€Œ™s not exactly how it was

Chorus:
ThatÃ¢â€Œ™s how she remembers it
She was the lucky one
Just take a look at both of us
And you tell me who won
If she thinks I hung the stars
If that's what she believes
Then who am I to tamper with
Her perfect memory

You ought to hear her tell the kids how mom and daddy
met
It always amazes me the things that she forgets
Somehow she gets it turned around
But it's still my favorite part
How Mommy looked in DaddyÃ¢â€Œ™s eyes
And I stole away her heart

Chorus:
ThatÃ¢â€Œ™s how she remembers it
She was the lucky one
Just take a look at both of us
And you tell me who won
If she thinks I hung the stars
If that's what she believes
Then who am I to tamper with
Her perfect memory

If I made all her dreams come true as far as she can
see
Who am I to tamper with her perfect memory
