HE'S A FRIEND OF MINE

Don Williams

You brought me down when I was up to see you
Then tried to tell me everything was fine
But in my heart I knew I never knew you
I knew your name and you knew mine

Chorus:

But there's Someone I would like for you to meet
He's a friend of mine
At home alone or in the street
He'll stay much closer, closer to you than I can
Let me tell you of this Jesus Saviour man

The times you're low and no-one's here to please you
Or fear will freeze you when the night would fall
There is no other one I know to ease you
For He is love and loves us all
And He'll help us, if we listen to the call

Chorus:

And there's Someone I would like for you to meet
He's a friend of mine
At home alone or in the street
He'll stay much closer, closer to you than I can
Take the hand of this Jesus Saviour man
