How Did You Do It
Don Williams
Dave Hanner/Bob Corbin
Album: I Turn The Page

You don't seem to be doing all that bad
In fact you look good
You don't seem to be feeling all that sad
Like I thought maybe you would

CHORUS:
How, how did you do it
How did you let it go
How, how did you do it
I need to know

Now you've got friends to help you when you're sad
There's even someone you've been seeing
Now I know there's nothing wrong with that
In fact it's a good thing

CHORUS:
How, how did you do it
How did you let it go
How, how did you do it

I need to know

One last question before you go
If you're really over you and me
How did you get there, I need to know
Cause that's where I'd like to be

CHORUS:
How, how did you do it
How did you let it go
How, how did you do it
I need to know

CHORUS:
How, how did you do it
How did you let it go

How, how did you do it
I need to know
