I Sing For Joy
Don Williams
Gary Burr / Doug Johnson
Album: I Turn The Page

When I was younger, the hunger came calling
And humbly I answered each rising and falling
I will not surrender at this wiser and tender age
I turn the page

Chorus:
And I sing for Joy
For the smile that it brings, from the heart
Through these guitar strings
It was only noise, till her love put a song
In the soul of this good ole boy
I sing for Joy

When I was lonely, my angel found me
She sweetly and gently wrapped her arms around me
And the demons that chased me, gave up and faded
away
Now I can sing

Chorus:
And I sing for Joy
For the smile that it brings, from the heart
Through these guitar strings
It was only noise, till her love put a song
In the soul of this good ole boy
I sing for Joy

Who could come nearer, to making life clearer
The time weÃ¢â€™ re together grows dearer and
dearer
When I must travel and I have to leave her alone
SheÃ¢â€™ s in my song

Chorus:
And I sing for Joy
For the smile that it brings, from the heart
Through these guitar strings

It was only noise, till her love put a song
In the soul of this good ole boy
I sing for Joy
