There's a slow moon rising
It's shining on your skin
The way your body moves me
I know there's no holding back
No holding back

I wouldn't be a man if I didn't feel like this
I wouldn't be a man if a woman like you
I'd have to be from another planet
Where love doesn't exist
I wouldn't be a man if I didn't feel like this

I can feel passion flowing
As you fall into my arms
The secret way you touch me
Tells me, there's no holding back
No holding back

I wouldn't be a man if I didn't feel like this
I wouldn't be a man if a woman like you
Was anything I could resist
I'd have to be from another planet
Where love doesn't exist
I wouldn't be a man if I didn't feel

Roll with me, baby, all night long
Soul to soul with me, baby, all night long

Woah, I'd have to be from another planet
Where love doesn't exist
Oh, I wouldn't be a man if I didn't feel like this

Baby, baby, baby, please go easy on me
And I wouldn't be a man now, no
