I can see your heart is aching  
He hurt you more than he knew  
But should you ever want to love again  
I'll be faithful to you

You've been crying like a willow  
When the night bird sings so blue  
Trust was broken but hearts will heal  
And I'll be faithful to you

In this world of pain and sorrow  
Where a promise won't hold true  
Here's a vow you can be sure of  
I'll be faithful to you

So let me dry away your lonesome tears  
Like the sun melts morning dew  
And I will wrap you up in true, true love  
And I'll be faithful to you

'Cause in this world of pain and sorrow  
Where a promise won't hold true  
Here's a vow you can be sure of  
I'll be faithful to you  
I'll be faithful to you
