I'LL TAKE YOUR LOVE AT ANYTIME BABY

I have seen this old, cold world go gold and silver
crazy.

Some people live to fill their pocket and it never ceases
to amaze me.

If money can buy them happiness, that o'right for them
I guess.

Money sure can buy a lot, but it can't buy what I've got.

CHORUS:

I'll take your love at anytime baby

It's solid as a rock, bigger than the sky

I'll take your love at anytime baby

I know it will be there as time goes by

I know I can count on you to keep the juices flowing

This thing between a man and woman beats anything
else going

Talk of fortune and talk about fame

It sounds nice is the way to tame
