I wish there was some way to tell you I'm sorry
That I didn't leave you a long time ago
But many mistakes are part of the story
And heartache by heartache, I've turned you to stone

So call me a traveler, gonna catch me a train
I wanna see Frisco, feel the sunshine again
If you want true love, you can't stand alone
Life here together has turned you to stone

I've held you captive in life without sunshine
And I've watched the blue in your eyes fade away
All good is gone now no need to continue
Destroying each other day after day

So call me a traveler, gonna catch me a train
I wanna see Frisco, feel the sunshine again
If you want true love, you can't stand alone
Life here together has turned you to stone
