JUST CAUSE I'M IN LOVE WITH YOU  
WRITER JESSE WINCHESTER

It's true, you've got me going round in circles  
You keep me so darned dizzy I could cry  
But every time you hurt me I grow a little stronger  
I'll soon be strong enough to say goodbye  
And it will be so good to smile  
Gee, it's been a long, long while  
After all that I've been through  
Just cause I'm in love with you  
But there will come a day, you'll see  
You won't have control of me  
You can't hurt me like you do  
Just cause I'm in love with you

I'll ask whatever saint looks after lovers  
I'll ask her, would you please look after me  
And would you kindly hear my prayer, and have a little  
mercy  
Please if she doesn't love me, set me free
