There is nothing that is wrong  
Wanting you to stay here with me  
I know you got somewhere to go  
Won't you make yourself at home and never leave?  
And don't you ever leave

Lay down Sally, resting in my arms  
Don't you think you want someone to talk to?  
Lay down Sally, no need to leave so soon  
I been trying all night long just to talk to you

Sun ain't nearly on the rise  
We still got the moon and stars above  
Underneath the velvet skies  
Love is all that matters, won't you stay with me?  
And don't you ever leave

Lay down Sally, resting in my arms  
Don't you think you want someone to talk to?  
Lay down Sally, no need to leave so soon  
I been trying all night long just to talk to you

I long to see the morning light  
Color in your face so dreamily  
So don't you go and say goodbye  
You can lay your worries down and stay with me  
And don't you ever leave

Lay down Sally, resting in my arms  
Don't you think you want someone to talk to?  
Lay down Sally, no need to leave so soon  
I been trying all night long just to talk to you
