I guess as a lover I have a ways to go
When someone wants you they should just say it's so
But you'll understand if you'll take my hand
Then we can dance real slow.
To something on the radio.

Listen to the radio
Listen to the radio
Lets spend the night together
Baby don't go
They're singing on the radio

I try to find a way to explain to you
What's on my mind and not sound so plain to you
But you'll realize if you'll close your eyes the feelings
my words can't show
They're playing on the radio

Listen to the radio
Listen to the radio
Lets spend the night together

Baby don't go
Theyre singing on the radio

The words id say don't seem to sound as real
The songs they'd play thats how i really feel

So listen to the radio
Listen to the radio
Lets spend the night together
Baby dont go
They're singing on the radio

Listen to the radio
Listen to the radio
Lets spend the night together
Baby don't go
They're singing on the radio
