I can't work late although I need the money
Gotta get home to my lovin' honey
She'll be there waitin', waitin' impatiently

Love is on a roll
Love is on a good roll

Usually I meet with the boys of Friday
Only this mornin' she said, "This is my day"
The look she gave me sent a shiver down into my soul

Love is on a roll
Love is on a good roll

Love is on a roll
Love is on a good roll

I'm a songwriter a professional dreamer
Mostly a singer but sometimes a screamer
I should know if anybody knows at all

When love is on a roll
Love is on a good roll

So I gotta go, I gotta get home early
Be with my woman, soft an curvy
Makes me feel like a king and not a regular Joe

Love is on a roll
Love is on a good roll

Love is on a roll
Love is on a good roll

Love is on a roll
Love is on a good roll

Love is on a roll
Love is on a good roll

Love is on a roll
Love is on a good roll

Love is on a roll
Love is on a good roll
