Wish I had a magic carpet together we could fly
We could sail away together & watch the world go by
If I had Alladin's lantern I'd know just what to do
'Cause all I'd need to do is touch it to make my dreams
come true

But I don't have a magic carpet & magic lamps are
hard to find
And I can't conjure up a secret potion to steal your
heart & make you mine

All I've got's a 4 leafed clover that's my only good luck
charm
But I get a magic feeling all over thinking about you in
my arms
No I don't have a magic carpet, magic lamps are hard
to find
I can't conjure up a secret potion to steal your heart
and make you mine

All I've got's a 4 leafed clover its my only good luck
charm
But I get a magic feeling all over thinking about you in
my arms
