Oh misery, coming down all over me  
Oh can't you see, you're the one that I need

You don't seem to notice, the way I feel  
You don't seem to understand ,my love is real  
You don't seem to care at all, how hard I try  
And I do try, Lord knows I try.

Oh misery, coming down all over me  
Oh can't you see, you're the only one that I need

If you'd stop to listen, I know you'd hear

If you'd stop to look, you'd see me here  
But you don't seem to care at all, that I could cry  
I don't know why, can't let it lie

Oh misery, coming down all over me  
Oh can't you see, you're the one that I need
