(Don Williams - Joe Allen - Deon Lay)

You turned your head at things that I was doing
You closed your mind to think your eyes could never
stand the scene
It's hard to look back now at what I'm ruining
You're reaching now and holding on with love I couldn't
see.

Overlookin' and underthinkin'
I wish that you could take me back and somehow set
me free
Overlookin' and underthinkin'
Overlookin' lovin' you when you were lovin' me.

Sometimes it seems the time is just all wrong
And later on you realize how things were meant to be
But time won't stop it just keeps moving on
If only I had understood what you were giving me.

Overlookin' and underthinkin'
I wish that you could take me back and somehow set
me free
Overlookin' and underthinkin'
Overlookin' lovin' you when you were lovin' me...
