(Recitation)

I ran into an old friend of mine the other day
We hadnt seen each other for quite a while
What he had to say to me hit me pretty hard
Cause I think a lot of folks get started this way, he said.

(Sing)

I thought it would be so easy
Another one-night stand
She seemed so warm and willing
Right in the palm of my hand
Now its three months ago last Wednesday
Since I woke up in her bed
Lord, I think I love her,
But Im scared half to death.

(Chorus)

Cause you know Im a rake and a rambling man
Free as an eagle flies
Well, look at me now and tell me true
Do I look like a daddy to you?
Oh, do I look like a daddy to you?

Now shes feeling sick in the mornings,
She cant get into her jeans
I spent my last ten dollars,
Bought her a second hand ring
I start to work next Monday,
Cause I just cant let her down
Ive had me some good times,
But its all changing now.

(Repeat chorus twice)
