Restless
Don Williams
Tim Williams, Don Williams
Album: Flatland

Give me too many bad signs,
I'll be gone and I can tell you why
Right or wrong that's just the way I am
I'm not looking for sympathy, we either do or we don't
agree
All I need to know is where I stand

So it's comin' right down to you,
I wanna stay if you want me to
But I don't wanna waste your time,
so I don't want you wastin' mine

When the sun's sinkin' low, I get so restless
Should I stay or go, that is the question
I really need to feel that you'll never
Leave me alone, maybe that's all I really need to know

Maybe I get too impatient, when I sense your
reservations
I guess I'm, just scared you'll say goodbye
'cause I would hope I've let you know what it's like
inside your love
I pray it lasts for more than just awhile

So it's time to make up your mind either way I will
survive
Not knowing is enough for me to ride away
with a broken dream

When the sun's sinkin' low, I get so restless
Should I stay or go, that is the question
I really need to feel that you'll never
Leave me alone, maybe that's all I really need to know
