Ride On Don Williams Doug Johnson Album: I Turn The Page

Peggy Sue rode away last night, on a rocking horse Straight into the pale moonlight, make believe of course

But what $\hat{A} \Leftrightarrow \hat{A}^{m} \le a$ little girl of eight Supposed to do when $\hat{A} \Leftrightarrow \hat{A}^{m} \le a$ up so late She $\hat{A} \Leftrightarrow \hat{A} \Leftrightarrow \hat{A}^{m} \le a$ t sleep $\hat{A} \Leftrightarrow \hat{A} \Leftrightarrow \hat{A}^{m} \le a$ cause it sounds like hate

Coming from her momma and daddyâ€Â™s room

Chorus:

Ride on, ride on Out to where it $don \hat{A} \not \in \hat{A}^{m}$ t hurt no more Ride on, come on Back to how it was before

Your momma left and your daddy cussed All they ever seem to do is fuss, ride on

Tommy Lee \tilde{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{TM}}$ s got a space machine, He keeps it ready on the launching pad \tilde{A} ¢ \hat{A} $\in \hat{A}$ $\in \hat{A}$ Cause there \tilde{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{TM}}$ ve been times that he has seen,

An alien invade his dad
So he heads out for the stars
Past the moon and straight to Mars
But what about the invisible scars
That come in a bottle that his daddy brings home

Chorus:

Ride on, ride on Out to where it $don\tilde{A} \not\in \hat{A}^{m}$ t hurt no more Ride on, come on Back to how it was before

Your momma left and your daddy changed You don \hat{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{TM}}$ t even know who \hat{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{TM}}$ s to blame, so ride on

Bridge:

Some people just lose control, some people hit overload Some people act like some people, they never thought they $\hat{A} \notin \hat{A} \notin \hat{A} \mod d$ be So why can $\hat{A} \notin \hat{A} \notin \hat{A} \mod t$ we all see The only antidote, The only way to cope The only true hope is love

So everybody wonâ€Â™ t you,

Chorus:

Ride on, ride on Out to where it don \hat{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{m}}$ t hurt no more Ride on, come on Back to how it was before

Go ahead and test your faith There \hat{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{m}}$ s still a lot of hope, it \hat{A} ¢ \hat{A} $\in \hat{A}$ $^{\text{m}}$ s never too late

To ride on the wings of love, ride on
