Standin' in a sea of teardrops
It's getting deeper all the time
Standin' in a sea of teardrops
And every day I feel it rise

For every bit of pain you cause me
Another little tear falls down
Baby, if you hurt me one more time
I think I'm gonna drown

Right from the start I saw you
And couldn't resist you
But I guess my heart, somehow knew
The first time I kissed you

But it wasn't long till you did me wrong
And I felt the first tears begin
Oh, but that seems so long ago
I've cried an ocean since then

Standin' in a sea of teardrops
It's getting deeper all the time
Standin' in a sea of teardrops
And every day I feel it rise

For every bit of pain you cause me
Another little tear falls down
Baby, if you hurt me one more time
I think I'm gonna drown

So many times, oh, you know
I've tried to leave you
You say you'll change, foolish me
I always believe you

Baby, but then you hurt me again
And there's not a thing I can do
I'm a sinkin' I know but I need you so
I guess I'll go down lovin' you

Standin' in a sea of teardrops
It's getting deeper all the time

Standin' in a sea of teardrops
And every day I feel it rise

For every bit of pain you cause me
Another little tear falls down
Baby, if you hurt me one more time
I think I'm gonna drown
