THE STORY OF MY LIFE

WRITERS BURT BACHARACH, HAL DAVID

Someday I'm going to write The story of my life I'll tell
about the night we met And how my heart can't forget
The way you smiled at me I want the world to know The
story of my life About the night your lips met mine And
that first exciting time I held you close to me The
sorrow in our love was breakin' up The mem'ry of a
broken heart But later on, the joy of makin' up Never
never more to part There's one thing left to do Before
my story's through I've got to take you for my wife So
the story of my life Can start and end with you The
sorrow in our love was breakin' up The mem'ry of a
broken heart But later on, the joy of makin' up Never
never more to part There's one thing left to do Before
my story's through I've got to take you for my wife So
the story of my life Can start and end Can start and
end Can start and end with you
