Last night I came home and found you there
You with your pretty eyes and shining hair
Look at you, you're the kind of woman men stop and
stare
Such a lovely lady to be mine

Such a lovely lady should be somewhere else
It seems to me, the likes of me, isn't hard to find

Sometimes going home, though it's not fair
I stop and have a drink or two, see who's there
But when I do ,you're the kind of woman I just leave
them there
You're such a lovely lady to be mine

Such a lovely lady should be somewhere else
It seems to me, the likes of me, isn't hard to find

Last night I came home and found you there
You with your pretty eyes and shining hair
Look at you, the kind of woman men stop and stare
You're such a lovely lady to be mine
Such a lovely lady to be mine
