Some people run, some people crawl,
Some people don't even move at all
Some roads lead forwards some roads lead back
Some roads are bathed in light, some wrapped in
fearful black

Time oh time where did you go
Time oh good, good time where did you go

Sometimes I'm satisfied, sometimes I'm not
Sometimes my face is cold, sometimes it's hot
Sunset I laugh, sunrise I cry
At midnight I'm in between and wondering why

Time oh time where did you go
Time oh good good time where did you go

Time oh time where did you go
Time oh good good time where did you go
