"Too Much Love"

Too much coffee, too much tea
Too much sugar isn't good for me
Too much money and too much fame
Too much liqueur drives a man insane

But too much love, too much love
There's no such thing as too much love

Too much fighting and misery
There's too much trouble in this world for me
There's too much of this and too much of that
And too much of anything will make you fat

But too much love, too much love
There's no such thing as too much love

Too many people saying don't do that
It's a no, no, no, no, no
I don't need telling where it's at
I said I know, know, know, know, know, know

Too much pleasure and too much pain
Somewhere someone's getting too much rain
And too much junk's being advertised
And too much television hurts your eyes

But too much love, too much love
There's no such thing as too much love
La, la, la, la, la, la, la, la, la, la, la, la, la, la
