I've been lonesome, I've been empty
I got an achin' way down inside

I need someone, someone to hold me
Pull down the shade, turn out the light and love me
tonight

Don't think about tomorrow, it don't matter any more
We can turn the key and lock the world outside the
door

I need you, so now, come on let go now
Kick off your shoes, turn out the light and love me
tonight

Now don't you worry, we're all alone now
Let your hair down, sit by my side

Turn off the TV, put on some music
Pull down the shade, turn out the light and love me
tonight

Don't think about tomorrow, it don't matter any more
We can turn the key and lock the world outside the
door

I need you, so now, come on let go now
Kick off your shoes, turn out the light and love me
tonight
