Walkin' down this midnight street
Just the sound of two lonely feet
Walkin' a broken heart, walkin' a broken heart

Empty city, not a soul in sight
And a misty rain falls on a perfect night
To walk a broken heart, to walk a broken heart

I know if you're thinking, this couldn't happen to you
You'd be a fool for believing
Dreams won't fly away, sometimes they do

I know if you're thinking, this couldn't happen to you
You'd be a fool for believing
Dreams won't fly away, sometimes they do

So if you've been hurt and you're feeling lost
Put your paper bag back and turn your TV off
And walk your broken heart, walk your broken heart

Walk your broken heart, walk your broken heart
Go, walk your broken heart
