There's a storm rollin' over the hill  
And the willow trees are blowin'  
I'm standin' here starin' out the window  
Safe and warm  
I feel her put her arms around me  
And its a good feelin' I'm knowin'  
Oh, I've got a good woman and we've got a good fire  
goin'  
We've got a feast on the supper table  
Bread for breakin'  
A blessing from the Lord for makin' me such a  
fortunate man  
The light of my life in the candle  
Her face a glowin'  
Oh, I've got a good woman and we've got a good fire  
goin'  
CHORUS:  
So let it rain  
(let the rain fall down)  
Let it rain  
It won't do nothin' but kindle a never ending flame  
Let it rain  
(let the rain fall down)  
Let it rain til mornin'  
Oh, I've got a good woman and we've got a good fire  
goin'  
Now there's a hard rain fallin' on the roof  
Coffee comin' from the kitchen  
I'm lyin' here listenin' to the ceiling on the living room  
floor  
I feel her lay down beside me  
My love is overflowin'  
Oh, I've got a good woman and we've got a good fire  
goin'  
  
Oh, I've got a good woman and we've got a good fire  
goin'
